

Can you taste it?

**355,000** restaurants in America now flourish 100% smokefree, spanning every culinary tradition, in communities large and small. With two-thirds of all U.S. restaurants already smokefree, your own freedom to cultivate authentic flavors in a fresh and healthy environment is so close you can taste it. Ready to free your enterprise from secondhand smoke? For the answers hospitality professionals need, visit [www.tobaccoscam.ucsf.edu](http://www.tobaccoscam.ucsf.edu).
