

Can you taste it?

**53%** of Americans already live where bars are 100% smokefree.

For the rest of the country, the freedom to spend more time with friends in a fresh and comfortable environment is so close you can taste it. Ready to set your enterprise free from secondhand smoke? For answers that hospitality professionals need, visit [www.tobaccoscam.ucsf.edu](http://www.tobaccoscam.ucsf.edu).

*Are you  
smokefree  
yet?*
